

Price Guide

We charge different rates for different Associates. This is not a question of quality but factors like demand, market forces and their own availability and expectations. Like at the hairdressers.

So, let us know who you are considering booking and we can let you know their normal rates.

Or let us know what topic you are looking to address and we will give you a range of possibilities.

Or let us know your budget and we can give you a range of options.

We know cash is tight these days so please be honest, just ask, and let us help you get the best value for money. We like a good haggle and we won't let cost get in the way of working with lovely people.

And remember we offer a 'complete satisfaction or you pay nothing' guarantee. Yes, really.

There is no limit to the numbers you can have in attendance on the day. We don't charge per head as some do.

So, if you want to sell tickets to other schools nearby or pool resources with them, then that's great.

We are also able to offer even better rates if you book more than one day. For example if you get the Associate to come back and work with colleagues in their classrooms or engage with smaller groups. Again, just ask.

Did we mention the 'complete satisfaction or you pay nothing' guarantee?

The details of the expenses rates we are likely to charge are on the website but we make these as reasonable as possible.

And, what's more, when you pay your invoice within 30 days, we'll give you 10% off the fees for your next booking with us.

Check out the website – www.independentthinking.co.uk – for more detail or call us on 0844 589 0490.

We look forward to hearing from you.
